Michael and Matt –

As a follow-up to our discussion today, here are comments from the City, as well as comments that we received from Maine DEP. I also attach the City's written request for an extension of the comment period through July 1st. In addition, after our call, I received the attached comment from members of the Maine state legislature who represent South Portland.

Thanks for your cooperation regarding waiver of service of process under Rule 4. I will send the waiver docs soon.

Pat
